EW340

Undercounter Glasswasher

1200 Glasses/hour

Wash Cycles:

60 sec

120 sec

The Eurowash EW340 multi-function, Undercounter Glasswasher, is the ideal choice for glass washing. Efficient, user-friendly, reliable and cheap to run.

Water consumption is restricted to an amazing 2.5 litres per cycle, regardless of the total wash time. You save water, electricity, chemicals and money! The easily accessed, soft touch controls puts at your fingertips, two wash cycles pending the soil level.

Safety is paramount in food preparation, in the EW340, all cycles are controlled through Thermostop technology to ensure correct set temperatures are achieved.

The EW340 is clever enough to self diagnose its operation and advise you of any problems encountered.

The built-in energy-saving setting, ensures high efficiency and lower running costs .

The Eurowash EW340 features easily removable, stainless steel and Thermoplas wash and rinse arms, to enable thorough cleaning. The EW340 comes complete with two wire racks and one cutlery basket.
