

EW3101

Compact Pot Washer

Wash Cycle:

120sec · 360 sec

The Eurowash EW3101 Pot washer delivers fantastic wash results with its minimum 2 minute wash cycle.

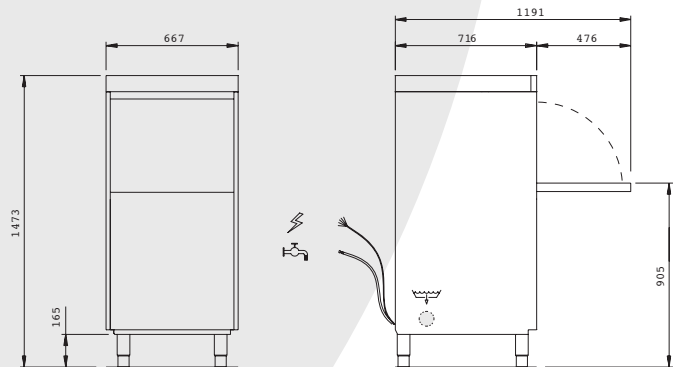

Water consumption is restricted to 3.5 litres per cycle regardless of total wash time. You save water, electricity, chemicals & Money. The easily accesses, soft controls put at your fingertips the power of 3 unique wash cycles, to tackle from the lightest to the heaviest of workloads.

With the use of (optional) supports it can wash even 60/40 baking pans and bread racks. The plastic 50 x 50 cm dish racks can be inserted directly.
